International Money Transfers

When you send or receive an international wire with your bank, you might lose money on a bad exchange rate, which is like a hidden fee. That's because the banks still use an old system to exchange money. We recommend you use **Wise**, which is usually much cheaper. Wise's smart technology:

- Gives you a great exchange rate and a low, upfront fee every time.
- Moves your money as fast as the banks, and often faster – some currencies go through in minutes.
- Protects you with bank-level security.
- Serves 60+ currencies, 175+ countries, and over 15 million customers.
- Whether you're getting paid by businesses or clients abroad, or simply receiving money from friends or family, with the Wise Multi-currency Account you can get instant international bank details to receive money from over 80 countries around the world.
- 5/5 star rating and more than 190.000 reviews on TrustPilot.
